#### **CONCORD BUS THIS FRIDAY**

Due to the large number of snow days, the Concord School District will now hold classes this Friday, March 16. **THE BUSES WILL BE RUNNING THIS FRIDAY.** There will be no change in our lunch program.

#### **SAINT PATRICK'S DAY**

This Saturday is St. Patrick's Day. SJRS was founded by the Sisters of Mercy whose roots go back to Ireland to which St. Patrick brought the message of Christ. We will have a non-uniform day this Friday. We encourage the wearing of green to celebrate the history of our school. Clothing that day must be appropriate for school. Clean jeans are OK. Clothing with inappropriate or political comments, items that are too short, leggings, and ripped clothing will not be acceptable. No facial coloring or hats should be worn in school. Let's hope that the wearing of the green will overtake the snow and serve as a sign of spring.

#### **DARE GRADUATION**

A reminder to fifth grade parents that DARE Graduation will take place on Tuesday, March 20 at 8:30 a.m. in the Parish Activity Center. This is a celebration of the work of Officer Howe and our fifth graders throughout the weeks of the DARE Program. Parents of fifth graders are encouraged to attend this event which will last about 40 minutes.

#### **BEDTIME STORY HOUR**

This is a reminder that the bedtime story hour has been rescheduled for Wednesday, March 21 from 6 to 7 p.m. This is an opportunity for Pre-K, Kindergarten, Grade 1 and Grade 2 to come in nighttime clothes, accompanied by a parent, to engage in a small craft, have stories read to them and have a "bedtime snack." Some of our older students will be the readers.

#### **FATHER - DAUGHTER DANCE**

The PTO will host our annual father/daughter dance for girls and their fathers (or significant adult males) on Saturday, April 7 from 6:30 to 8:30 in the Parish Activity Center.

#### **SCREENAGERS**

On Wednesday, April 11 at 6 p.m. in the Parish Activity Center we will show the movie "Screenagers" to our parents. This documentary raises questions about the impact of electronic devices in the lives of students. The movie will last about 70 minutes. We will also be showing the student version on Friday, April 13 during the school day. We encourage adults with children in the fifth grade and above to join us for this chance to reflect on the role of technology in the lives of our children. We thank the PTO and Christ the King Parish for supporting this.
